

Volunteers are the Heart of Hospice!

***Give a piece of your heart and become a trained Hospice Volunteer.
For a small amount of time, you can make a BIG difference in someone's life.***

Hospice training is open to anyone who is interested in learning more about hospice care and the services provided to our patients in Cleveland, Gaston, and Lincoln Counties. This course is free! To get credit for the entire course, you will need to attend all days at one of the times offered. Hospice Cleveland County exists to provide high quality skilled compassionate care and support for individuals with a life-limiting illness, their families, and the community, regardless of ability to pay.
