**Camp Mostly Smiles** is a **free** retreat designed to meet the needs of young people who have experienced the death of someone who was special to them. On **Friday, June 22, 2018**, Hospice Cleveland County will offer **Camp Mostly Smiles**, a special one day retreat for children ages six to sixteen years of age who have experienced the death of a family member or other significant person in their lives.

Young people will participate in small groups with counselors to learn through activities and games about emotions, grief, and self-esteem. The retreat will be held at the **Shelby City Park** located at 850 West Sumter Street in Shelby. **Our day together will begin with registration at 9:00 AM and will end at 3:00 PM. Transportation is not provided.** Please register early, as number of participants is limited so that we might give each child the attention that he or she needs.

The retreat's name and spirit is based on the **Mostly Smiles** program that Hospice Cleveland County has provided to all schools in Cleveland County.

The staff and volunteers working at **Camp Mostly Smiles** are specially trained to work with children who are grieving the death of a loved one. Staff will include counselors, social workers, volunteers, and nurses.

**Please call, mail, or fax us the information on the attached interest form below as soon as possible and we will mail a registration packet to the child's parent and/or guardian.**
